DESC: This announcement is for the purpose of soliciting names of firms and joint ventures interesting in submitting an offer for the Peace Vector VI, Main Operating Base Upgrade project at Fayed, Egypt. Eligible contractors will be limited to (1) U.S. construction firms, (2) joint ventures between U.S. firms including at least one U.S. construction firm, or (3) joint venture between U.S. firms and Egyptian firms, including at least one U.S. construction firm. To be considered a U. S. construction firm, the firms must perform construction as a significant portion of its business; must be incorporated and have its corporate headquarters in the U.S; must have paid corporate franchise and employment taxes in the U.S. for a minimum of two years and shall have filed state and federal income tax declarations for a minimum two corporate years, having paid any applicable taxes determined to be due as a result of such filings; and employ U.S. citizens in key management positions. To be considered an Egyptian firm, the firms must be a minimum of fifty-one percent Egyptian ownership, and an independently owned firm. Firms that are partially or wholly owned by, or otherwise affiliated with the Government of Egypt or its agencies are ineligible. Performance and payment bonds will be required. Estimated cost of construction is between \$100,000,000 and \$250,000,000.

PROJECT SCOPE: This work consists of construction of new utility distribution systems (electric, water and signal) and collection system (sanitary). Construction of new aircraft maintenance hangar, munitions storage, water treatment plant, housing, dining, recreation, security fencing and other aircraft maintenance facilities. Also rehabilitation work on airfield pavement, aircraft shelters, and numerous existing facilities is required. Additionally utility service will be provided from the new systems to approximately fifty (50) existing facilities. Several option items are anticipated in the solicitation.

PLANS AND SPECIFICATIONS: This an electronically issued solicitation. The Government shall furnish two (2) copies of the CD-ROM(s) containing the specifications and plans to prospective offerors at no charge. The official solicitation is found on the CD-ROM(s). Paper copies of the solicitation and additional copies of these CD-ROMs are NOT available.

CONTRACT PROCEDURES: This will be a Best Value Award requiring both a price proposal and a technical proposal. Evaluation factors will include, at a minimum, Price, Past Performance, Management Capability, and Experience. Request for Proposal (RFP) will be issued to prime contractors responding to this notice. Tentative date for issuance of RFP is 1 November 2000. Tentative date for receipt of proposals is 15 January 2001. Contract award will be on a firm fixed price basis. Anticipated contract duration is 900 days with an interim milestone of 720 days. A pre-proposal site visit is tentatively scheduled for 4-6 December 2000. The following information is required to process base passes for individuals wishing to attend the site visit and MUST be received by the Transatlantic Programs Center not later than the close of business 15 October 2000.
